Shad Bala & Bhav Bala Tables

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. 'Shad' in Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
